MONDAY, JANUARY 15 "

The military situation has been red live nged within the lat two months. When C gress assembled, the P esident was en bled t present in his message but little of encourement, as the result of the part year's work in suppressing rebellion. The rebels offered 1 ld and formidable of position to our armies at every point, and the confidence of the paor le in t eult mate tri nih of or cure alone sisthird the p blic heart in presence of a daring and in | aca le enemy. The lines of the Potoac army were sternly disp ted by the firm an l d' i lined columns of Le, and in the West the Timion forces were confronted by the de-per te The marve'l is expellion of Sherman was yet in progress, and, with alterrate have and fear, the nation awaited its reall It we deci ed an extrem y haz rdo is experi est that Sherman should divide his ermy into two unequal parts, and, while attempting with the main force a passage through the heart of Georgia, leave the smaller to midue the entire rebel force of the Wet. 1st the result the experiment demonstrated te wisd m of our great leader, a d in- ired the papular l rt with new confidence. S vannah, tle jective int of the experition, was reached through nall to loodless triumph while the arm v of llood was broken a d ro ted Ly the invincible columns of Thomas. Thus, the whole aspect of affairs has been

t right cha ged. R bel hines, on e findly cherished, have been dissipated in the blace of our vi t riou- st dard. Our a ltary po itions are a h. t present, as to envel p the "Confedcracy" in soom. From Salannah Sharmen may advance northwar , capturing rebe citieand towns, and, at the expiration of veral months, the rmy of Lee, now t'el at hope of re I on, will be invested by the combined f rees of Grant and Sherman. The shivering f ree of H od, d' 1 rited by the achievements of Tl nas, w'll require a long resting spell, il ever gain sufficiently or, niz d f r effective service. It s no m rv l, th , th t the rebels, seel the crita le destiny of eve to should be self hert and destrice in explaints They we diber to ad rm to r slay som defer , or, in a more tof desir, land the wests I'm e vesser. c most popular song now sung in the eracy is one of Bellini's gems from It is entitled "Where are now the Cherished?"

The Indian race, In their present condition, challenge pity from the philanthropic world. Painful necessity has often demanded the severest inflictions upon them at the hands of the whites, yet their instortunes, as the weaker party, appeal to the magnanimity of the 1 _lo : xun. With darling revenge, the com eret with their primitive boy and arrows the tructive ride d cannon of a superior race. The recent conduct of Col. Chivingston, commanding United States forces in Colorad , alto ting wholesale massacre of men, women, and children, should excite for those poor crealace the generous plty of the nation, and we

are gratind that it is to be subjected to Conic ional investigation. The ma sacre is pronounced by Judge Hard ing, of Colorado, the most cruel that history records. He says that the 'Indians had previo-sly given up their arms; they molested no traveller: they claimed to be quiet and pearea-We vel they were surprised I v a military force coming some two hundred miles for the purpose at dead of night, and the vi tims included were n.en, vomen, and children. Gee. Dent, son of Col. I) ht, wo killed, with a number of other halfbreeds that were stopping at the helges. Not a soil was spared-inin, we man, or papioosethat fell into the hands of the sold rs. The Indians no more expected an attack from the tree je than they did from those at Fort Lvoa. whom they visited every day."

We know the fiendish treatment to which white women and children in the far West have be a sul ected by small Indian bands-enough olding down the retribation of American sollier-wet we can afford to be just and honorable toward their feeble race. They have been driven from their old hunting- rounds, and are rapidly diminishing. The conduct of Colonel Chivingston appears to have been as unnecessary as cruel, but his condemnation should not be rendered without proper testimony from the people of Colorado.

N t many years henca, the Indian race will have be n extinguished. They are passing napicly away before car civilized immigratio ard at last they will be known only in the fiction of Cooper and the poetry of Longfellow In 1550, they were 400, 000; in 1855, 370,000; and the evn us of 156% shows only 200,400. Tais tablits the decrease in their population of of every five years. As the white immigra tion moves Wesaward, the r. tio of their diminution is greatly augm ited. Let not cruel but her basten the extinction of the e page ch' dien of nature! gr-Tie managers of ti - Am rican Bill So

C? In the inception of the war, when Gen r I Lee resigne his commission in the United States service, to link his fortunes with the re willion, he addressed a letter to the venerable General Scott, in which le dectared lie would never draw his sword as met the Old Flag, except in defence of Virginia soll. It seems that the events of the war are destined to keep General Lee within the limits of his native State, even should be win to carry the standard of rebellion beyond it. Circum-tance beyond his control, we apprehend, alone enable the rebel clieftain to keep his promise to the gray-haired veteran nuder whom he once

Sherman are still destined Lee-ward.

[Special Correspondence of the Louisville Journal,] FROM FRANKFORT. . FRANKFORT, January 7.

Nothing of interest has transpired to-day in ither House further than is mentioned in the ther House Brither than is mentioned in the egular reports in another column.

Mr. Prall's anti-slavery bill meet the approbation of a insjority of the Committee on Federal Relations, and it was reported to-day, and W. Kim eral helations, and it was reported to-day, and made the special order for Monday. Mr. Kinnav's chancipation resolutions will come up in the House on Monday, and be advocated by the House of both Prall's and Kinney's speechs will be furnished your paper so soon as they can be reported and revised.

Hon. James Guthrie arrived by thight, and its presence gives new energy and confidence of his filereds. The conservatives held another ances has might, by did but little. They are o meet again on Monday night, by which time omething definite will be determined upon. I they make a nonjunction Guthrie work the they make a nomination, Guthrie stands the

ost change of nit.

The 'hog' at the Capital la t night, was not a very brilliant allair, owing to the inclement state of the weather. Our city belles could not venture out amid such winds and rains, and the fair representatives of the rural districts have not yet arrived at the capital.

There is still much talk of the temporary removal of the Legislature to Louisville, but it will all end in talk. A slight reduction of hotel bills, with a few judicions bird and oy ter suppose, will set this matter all right. The old rankfort stagers know how to manage these sings, and they w'll manage them. cussions among the friends of Bramlette and Burbridge. Every patriot will regret the breach between these distinguished officials, but who can heal it?

SURBAY NIGHT'S DESPATCHES. The steamer Henry Ames, from New Orleans

on the 28th ult., has arrived with mails for the corth, and thirty-four bales of cotton for St. couls, and thirty for Cuncinnati. The steamship Creole, from New York, had To the Associated Press. WASHINGTON, Jan. 8. A better from the Army of the James of I ribars. All quiet in this department. A veri in has I reviiled all day, making the ronds al ived from the transport Union, with \$4 100, for the disbursing officers at New Orleans. Gen. Hurlbart bas issued an order prohibiting ril-rooms, and other places of amusement inday, and denounces the habit as dishon e and egintary to the duties which soldier to themselves and their country.

Col. E. J. Davis, 1st Texas cavalry, is appointed Bilgadier-General, and ordered to report to General Canhy.

Matamoras papers give an account of the wreck of the steamer R. E. Lee, from Matagorda, in a squall. Twenty-two men were picked up on cotton bales by the French bark Cortillana, from Havana. They also notice the destruction of six hundred bales of cotton belonging to some membrants of Matamoras. ing to some merchants of Matamoras.

Meanrus, Jan. 3.

Gen. Dana has received information from his envalry livre sent out from here on the 21st ub. They struck the Mobile and Ohio railroud five miles below Corinth, and had, on the 27th, nuterly destroyed it to below Okalona. Twentynine britiges, a great iteal of trestle-work, thirty-two railroad ears, three hundred army wagons, and four thousand earlines were destroyed. Forrest's camp of dismounted mental Verna has been dispersed, six officers and twenty men were captured. There was not a man lost on our side. Gen. Grierson has orders to destroy the road as far as Meridian, and release our prioners if posible.

To the Western Associated Press

teeks quiet and firm. Misecllaneous list steel and without marked change. Coal stocks from Gold has been heavy, with a gradual full in the

price, there being no news or rumors to effect the market. Mency less active, with a better supply or rapitul stock on hand. Stocks quiet and stendy at the petrolemia board. Petrolemia
